

# Protect Your Values, Protect Your Vote

## *Wisconsin Family Action's Grassroots Mobilization*

**Senate Recall Elections  
July 12, July 19, Aug 9, Aug 16, 2011**

In 2010, Wisconsin Family Action mobilized well over 100,000 Values Voters across Wisconsin to vote their values. The result was traditional family values and pro-life, pro-liberty candidates winning overwhelmingly.

Recall elections could disenfranchise hundreds of thousands of pro-family/pro-life Wisconsin citizens—even citizens who don't live in districts where there is a recall election!

## **Values Voters must once again seize the opportunity and respond.**

***Critical Goal:* Educate and mobilize values voters in key senate districts.  
“Go to the polls and vote your values!”**

- Secure **2,000** absentee ballots from values voters in each senate district.
- Mobilize **500** churches using 120 volunteer grassroots coordinators in 6 Senate districts
- Distribute **30,000** effective, well-researched, accurate Voter Guides in the targeted districts
- Turn out **20,000** values voters in 6 Senate Districts
